

## **72 HOUR NOTICE REGARDING 880/92 WORK**

1-14-2008

Caltrans – As you are aware, the construction work on the I-880/92 Interchange necessitates work which will involve Caltrans Contractor (Granite Construction Company), for construction related purposes, on your property, and may involve alterations to the property. Please remove personal items like tools, sheds, etc. from work area.

Caltrans has already obtained easement rights for this work. If you are affected by the work, please consult your agreement with Caltrans for the type of work to be done. If you have not been contacted, then this process does not affect you.
